OUR STORY

Experience the wild differently.

In the heart of Kenya's Great Rift Valley, surrounded by open skies, ancient landscapes and the quiet beauty of Lake Elementaita, we created a place where you can leave the noise behind and become part of nature again. Here, luxury is found in birdsong, slow breakfasts, garden walks, restorative spa moments and golden sunsets. At Lake Elementaita Manor, the greatest luxury is space to breathe, time to reconnect and the freedom to simply be.

Come for the escape. Stay for the feeling.

COMMUNITY INVOLVEMENT

Rooted in place. Committed to people.

Lake Elementaita forms part of the UNESCO-recognised Kenya Lake System in the Great Rift Valley. As a neighbour to this remarkable landscape, we believe hospitality carries a responsibility to care for the environment and contribute meaningfully to surrounding communities. We support local initiatives, cleaner shared spaces and opportunities that create positive value beyond every stay.

Together, we care for the place we call home.
